

When a policeman says 'Pull Over' it may not be to share a joke. However, in this column when IPA member, Jack Keery of Silver Spring, Maryland, USA, says 'Pull Over' it's because he has become 'The Laughing Policeman'.

PULL OVER AND LAUGH

Merry One Liners

Birds of a feather flock together and crap on your car.

A penny saved is a government oversight.

The real art of conversation - say the right thing at the right time, also leave unsaid the wrong thing at the tempting moment.

The easiest way to find something lost around the house is to buy a replacement.

He who hesitates is probably right.

Did you ever notice: The Roman Numerals for forty (40) are 'XL.'

If you think there is good in everybody, you haven't met everybody.

If you can smile when things go wrong, you have someone in mind to blame.

Aging: Eventually you will reach a point when you stop lying about your age and start bragging about it.

Long ago when men cursed and beat the ground with sticks, it was called witchcraft. Today, it's called golf.
