Last month many IPA Sections received a direct call for help for donations towards an operation on Pjevac Slobodan, an IPA colleague from Section Serbia, who was suffering from CAVRNOMA FOSSAE CRANIL POST (Cranial Fossa Carcinoma)

John Waumsley received the following confirmation from
Sasa Markovic, IPA President:

- Pjevac is a 36 years old married man with two children.
- He joined the police force in 1993.
- The operation cannot be undertaken in Serbia
- The operation can be performed at the Debrecen University Hospital in Hungary
